NATURAL RESOURCES -- FISH, WILDLIFE, & RECREATION

Automated License Issuance System

[LFB Paper #650]

Motion:

Move to delete \$30,000 SEG annually to contract for a professional evaluation of the ALIS system. In addition, direct DNR to work cooperatively with DOA in order to solicit online reverse bids for the re-bidding of the ALIS contract.

Note:

The reverse bid process would require DNR to post specifications for an automated license issuance system online through DOA. Contractors interested in providing the service to DNR would be able to post or view other bids through this service.

[Change to Base: -\$60,000 SEG]
